3 minutes Kimono!!

～美楽着物～

Easy & Comfy!

“**Miraku Kimono**” ～美楽着物～ is a specially designed kimono that can be **dressed in 3 minutes!** It can also be worn over your regular clothes, so you can change outside too! Our kimono looks just like the regular kimono, which normally takes 20-30 minutes to wear, but it is more comfortable and easy to wear!

Our kimono is also perfect for people who just like to try on kimono for a few hours. We provide “1 hour” and “2 hour” plan, so you can try on kimono and take photos in our **300 years old samurai residence** or take a stroll in our neighborhood, such as Nishihonganji Temple.

- Service available from 2000 yen!!
- We provide delivery for 3000 yen!
- A large group is welcomed!
